Turn card fees into cash flow — with CardChamp

A new HCPS partner service. CardChamp helps our dealers dramatically reduce — or eliminate — the credit-card processing fees you pay on every sale, putting that money back into your business.

- Lower or offset merchant fees on in-store & online payments
- Keep more of every transaction — better margins and steadier cash flow
- Simple switch with dedicated dealer support

Want to see what you'd save? Ask your rep, or learn more at cardchamp.com/homecareproviderservices.

What's new at HCPS

- New online ordering platform — browse your lines, see your pricing, and place orders 24/7.
- New manufacturer lines added to our catalog — ask your rep what's now available in your territory.
- Freight programs & volume pricing on select lines — we'll help you reach free-freight thresholds.

Order online, anytime. Your account, your lines, your pricing — at hcpsonlineordering.netlify.app. Ask your rep to get you logged in.
